

Pupil Premium spend 2012 – 2013

Allocated £61,189

What is Pupil Premium?

Pupil Premium is funding that is based on the number of pupils receiving free school meals. This funding is given to schools from the government in order to raise standards further in education. It is in addition to mainstream funding. The purpose of the Pupil Premium is to target support to "narrow the gap" between free school meal children and other groups.

"It is for schools to decide how the Pupil Premium, allocated to schools per FSM pupil, is spent, since they are best placed to assess what additional provision should be made for the individual pupils within their responsibility" Source - DfE website

Funding in 2013 /2013 was spent on:	Cost	Impact
Provide Teaching Assistant support across the school in order to support pupil progress	9399	Smaller class sizes in KS1. SATS results at the end of KS1 improved.
