The School Day

School starts at 8:50am.

Lunch time is 12:00pm – 1:00pm

School ends at 3.15pm

Please be punctual both arriving and collecting your children. If you are unavoidably delayed please contact the school office. Staff will be in the playground to meet children and parents both at the start and the end of the day.

Lunchtimes

School meals cost £2.20 each and should be paid via SIMs pay. Alternatively you may provide your child with a packed lunch. If you think that you may be entitled to free school meals please ask at the office.

The Curriculum

At Simonside every Year 6 child has a daily maths and literacy lesson. Literacy lessons involve the children developing their writing, reading, speaking and listening skills. The children also take part in drama activities to help stimulate ideas for written work. We will be reading a range of fiction and non-fiction books that link in with the topics for each half term.

In Year 6 the children have 5 numeracy lessons with the class teacher which involves all aspects of mathematics work including mental and written calculations.

Topic maps are on the school website for each class for each term. Where possible we try to link topic work in with the other subjects the children are doing. Please have a look at our Class Dojo pages as regularly as you can – we will keep you up to date on what we've been learning in class. We will also communicate with you via Class Dojo (please speak with the class teacher if you are still not connected).

Year 6 Topic Themes:

Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Victorians	Victorians	World War II	The Mayans	Rivers and the Water Cycle	Trade

Homework

Literacy and Maths homework tasks will be set weekly using an online platform (called SATs Companion). This work will be based on what we have done in class and will not be new to the children. It will be set at a level that children can access for themselves; they may need support to access the online platform at first but will become familiar with it over the course of the term. All children should ask for support (before the homework deadline) if they have been unable to complete their homework. Online homework tasks will be set on a **Friday** with a completion date of **Wednesday**. It is expected that all homework tasks will be completed on time. If homework is not completed on time, you will be made aware via Class Dojo and the SATS Companion website.

The children also get a set of spellings each week to learn- these are usually given out on a Monday and tested on a Friday. It would also be beneficial if they could practise their multiplication tables as often as possible. Finally, if you could listen to your child read at home, or ask them questions about what they are reading this would be very highly effective in securing progress.

Important days for this academic year

Monday – Spellings given out.

P.E. (Children to come to school wearing their P.E. kit)

Wednesday – Homework to be completed.

P.E. (Children to come to school wearing their P.E. kit)

Fruit and Drink

KS2 Children can bring in fruit to eat at break time.

We believe that children should take regular drinks of water throughout the school day. Children should bring a water bottle to school, clearly marked with their name. They will also have access to water in the classroom. Juice is not allowed.

Absence from School

- ❖ Without an explanation the absence will be marked as **UNAUTHORISED**.
