	Music	History
Art Children will develop their collage skills inspired by Ancient Rome.	Children will learn to sing, play, improvise and compose using Charanga and	Children will learn about the achievements of The Romans.
 Skills: To create sketch books to record their observations and use them to review and revisit ideas. To improve their mastery of art and design techniques, including drawing, painting and sculpture with a range of materials Learn about great artists, architects and designers in history. DT Children will develop their mechanics skills.	 completing a weekly drumming session. Skills: Play and perform in solo and ensemble contexts, using their voices and playing musical instruments with increasing accuracy, fluency, control and expression. Improvise and compose music for a range of purposes using the interrelated dimensions of music. Listen with attention to detail and recall sounds with increasing aural 	 Skills: Use evidence to ask questions and find answers to questions about the past. Suggest suitable sources of evidence for historical enquiries. Use more than one source of evidence for historical enquiry in order to gain a more accurate understanding of history. Describe different accounts of a historical event, explaining some of the reasons why the accounts may differ.
 Skills: Use research and develop design criteria to inform the design of innovative, functional, appealing pictures. Select from and use a wider range of tools and equipment to perform practical tasks accurately. Investigate and analyse a range of existing products Evaluate their ideas and products against their own design criteria and consider the views of others to improve their work. Understand how key events and individuals in design and technology have helped shape the world. 	 memory. Use and understand staff and other musical notation appreciate and understand a wide range of high-quality live and recorded music drawn from different traditions and from great composers and musicians Develop an understanding of the history of music. Application of maths across the curriculum: Counting/calculating the beats in a bar. Application of literacy across the curriculum: Using rhyme and alliteration. 	 Suggest causes and consequences of some of the main events and changes in history. Describe the characteristic features of the past, including ideas, beliefs, attitudes and experiences of men, women and children. Place events, artefacts and historical figures on a time line including dates. Use appropriate historical vocabulary to communicate, including: dates time period era.
Application of maths across the curriculum: Measuring, proportion, shape Application of literacy across the curriculum: Reading and following instructions.		Application of literacy across the curriculum: Writing and following instructions, writing information texts and research their ideas
Religious Education Year 3	The Romans (Autumn 1)	Computing Year 3 - Computing systems and networks- Connecting computers Year 4 - Computing systems and networks- The internet
Expressions of Identity Year 4 Religions in the local community in religion		 Skills: Design, write and debug programs that accomplish specific goals, including controlling or simulating physical systems; solve problems by decomposing them into smaller parts Use sequence, selection, and repetition in programs; work with variables and various forms of input and output
Skills: Children will fo	PE ocus on developing their Dodgeball skills.	 Use logical reasoning to explain how some simple algorithms work and to detect and correct errors in algorithms and programs Understand computer networks including the internet; how they can provide multiple services, such as the world-wide web; and the opportunities they offer for communication and collaboration
 Present the key teachings and beliefs of a religion, making references to religious figures. Identify religious artefacts and buildings and combinat 	ning, jumping, throwing and catching in isolation and in ion	 Use search technologies effectively, appreciate how results are selected and ranked, and be discerning in evaluating digital content Select, use and combine a variety of software (including internet services) on a range of digital devices to design and create a range of programs, systems and content that accomplish given goals, including collecting, analysing, evaluating and presenting data and
 explain why they are used. Identify religious symbolism in literature and the arts. Play comprinciples Develop for the arts. 	petitive games, modified where appropriate, and apply basic suitable for attacking and defending. flexibility, strength, technique, control and balance.	 Use technology safely, respectfully and responsibly; recognise acceptable/unacceptable behaviour; identify a range of ways to report concerns about content and contact.
